Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Tuesday 15 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mainly dry today, but rain spreading to the northwest.

Today:
Most places will be dry with spells of hazy sunshine and some high cloud. Rain and strong winds spreading to the northwest and Northern Isles during the afternoon.

Tonight:
Rain, occasionally heavy, in the northwest gradually spreading southeast across all areas overnight. Turning drier and clearer in the north and west later in the night. Windy in the northwest.

Wednesday:
Southeast mostly cloudy with occasional rain. Elsewhere mainly dry with some bright or sunny periods, a few showers in the west.

Outlook for Thursday to Saturday:
A mainly dry and bright few days, a few well scattered showers at times especially in the northwest.
